

It is so gratifying to see how IngenuityFest 2023 – and Cleveland’s artists and entrepreneurs –advanced our spirit of creativity & innovation with nearly 20,000 visitors!

Ingenuity Cleveland has already called out IngenuityFest 2023 as “the best event to date.” Featuring 60 bands and performers, 50 artisan vendors and creative entrepreneurs, over 30 large-scale exhibits and more, this year’s “Biologies & Geologies” Fest brought the St. Clair-Superior neighborhood and all of Cleveland together to showcase over 10,000 hours of collaborative work.

**THANK YOU!**

A few of our favorite shots of the Amethyst Stage Presented by the Rock & Roll Hall of Fame and Rockport Ready Mix WE COULDN'T HAVE DONE IT WITHOUT YOU!

It also served as the platform to announce Ingenuity Cleveland’s long-term commitment to the neighborhood, announcing a 10-year lease as they activated more than half of their 300,000+ sq. ft. creative space stretching up 4 stories.

Rockport Ready Mix is very proud to have helped bring the Amethyst Stage to life for IngenuityFest 2023, and bring so much joy and creative excitement to our hometown.
